

ROOMMATE MATCH POLICY

Service Fee: \$75 per person

For those participants who are traveling single and would like to avoid paying a single supplement for the cruise, Worldview Travel will try to provide a suitable roommate match. Due to the fact that we cannot guarantee a match, the following rules and stipulations must be agreed upon by all parties:

If for some reason Worldview Travel is not able to find a roommate match by Final Payment a participant will be given the following options:

- 1) Canceling the cruise with a full refund except for a \$25 service fee. This policy does not cover any additional air or other transportation costs.
- 2) Agree to taking a single cabin with the additional collection of any single supplement charges, with the understanding that if a roommate match can be made prior to sailing a refund of these supplemental charges will be made.

Worldview Travel will take full responsibility of advising all participants of the date when this decision must be made.

After Final Payment:

In the event that a person who has a roommate match has to cancel their cruise, any additional charges such as a single supplement for their roommate, will be paid by the person that had to cancel. All efforts will be made to find a replacement roommate but that cannot be guaranteed.

This policy protects the non-canceling roommate and Worldview Travel of any supplemental charges.

Roommate matches are normally processed closer to the final payment date to allow us the best selection and we will mail you a "Revised Letter of Confirmation" showing your roommate's name once completed.

*If your cruise offers split dining times (First or Second Seating) for all roommate matches only **ONE** dining time can be assigned per cabin.*

The acceptance of these guidelines is required on our web registration form when submitting your request.
