# The Law of Attraction

The Basics of the Teachings of Abraham

## Hello from Jerry & Esther

---

Esther & Jerry Cruising Along

Creating the cover for this *Quarterly Journal Vol 37* made us laugh as two very competing feelings converged.

The first feeling is one of incredible appreciation and satisfaction about the creation of, and success of, our newest book, *The Law of Attraction, The Basics of The Teachings of Abraham*, which we are featuring in this *Quarterly Journal*. Thanks to you, it has remained on the *New York Times* Best-Seller list for six weeks running. (How nice is that?)

The second feeling is one of humor/embarrassment as we typed the dates for this journal on the cover: *July, August, September, 2006*, while we have just completed a glorious Thanksgiving holiday. We're a tad behind on the creation of these journals.

Thanksgiving (Jerry always calls it *Appreciation Day*) is our favorite holiday, and that surely must be because it is a time when we deliberately turn our attention to the things in our life for which we feel appreciation, and, oh my, there are so very many.

So, in going down our long, long lists of wonderful aspects to our lives, we realize how much alignment we are personally experiencing. Our Vibrational Escrows have been created because of all that we have lived, and now, because of our deliberate application of what we have learned from Abraham through the years we have come into wonderful alignment regarding our *work*, (there are no words to describe the satisfaction that our work with Abraham brings to both of us) our *relationship* with each other, (we each enhance the experience of each other in indescribable ways—i.e. you have to be there) our *relationships* with others, (our families and friends make our hearts sing—i.e. everyone should be so fortunate to know these people) our *bodies*, (our wonderful bodies are hearty and eager for more life flowing through them every single day).

And so, coming right up, is our coming into alignment with *time*. It's so close we can feel/smell/taste it. The perfect alignment between the glorious things we desire to spend time upon and the perfect amount of time to do them.

And just imagine, before you know it, you will receive your *Quarterly Journal* entitled *July, August, September* at the first of July. Just like we planned.

We do love you,

*Jerry & Esther*

# The Universal Law of Attraction

---

*Everything in your life and the lives of those around you is affected by the Law of Attraction. It is the basis of everything that you see manifesting. It is the basis of everything that comes into your experience...*

*An awareness of the Law of Attraction and an understanding of how it works is essential to living life on purpose. In fact, it is essential to living the life of joy that you came forth to live.*

The Law of Attraction says: *That which is like*

*unto itself, is drawn...* When you say, “Birds of a feather flock together,” you are actually talking about the Law of Attraction. You see it evidenced when you wake up feeling unhappy, and throughout the day things get worse and worse, and at the end of the day you say, “I shouldn’t have gotten out of bed.” You see the Law of Attraction evidenced in your society when you see that the one who speaks most of illness has illness; when you see that the one who speaks most of prosperity has prosperity... The Law of Attraction is evident when you set you radio dial on 630AM and *expect* to receive

the broadcast from the transmitting tower of 630AM, because you understand that the radio signals between the transmitting tower and your receiver must *match*. As you begin to understand—or better stated,

as you begin to remember—this powerful Law of Attraction, the evidence of it, which surrounds you will be easily apparent, for you will begin to recognize the exact correlation between what you have been thinking about and

what is actually coming into your experience. Nothing merely shows up in your experience. *You attract it, all of it, no exceptions.*

## **Giving Thought to It Is Inviting It**

*The more you come to understand the power of the Law of Attraction the more interest you will have in deliberately directing your thoughts—for you get what you think about, whether you want it, or not.*

*Without exception, that which you give thought to is that which you begin to invite into your experience.* When you think a little thought of

---

---

something that you want, through the *Law of Attraction*, that thought grows larger and larger, and more, and more powerful. When you think a thought of something you do not want, the *Law of Attraction* draws unto it, and it grows larger and larger, also. And so, the larger it grows, the more power it draws unto it, and then the more certain you are to receive the experience.

When you see something you would like to experience and you say, “Yes, I would like to have that,” through your

*attention* to it you invite it into your experience. However, when you see something that you do not want to experience and you shout, “No, no, I do not want that!” through your *attention* to it you invite it into your experience. In this attraction-based Universe, there is no such thing as exclusion. Your attention to it includes it in your vibration, and if you hold it in your attention or awareness long enough, the *Law of Attraction* will bring it into your experience, for there is no such thing as “No”. To clarify, when you look at something and shout, “No, I don’t want to experience that; go away!” then what you are actually doing is calling it into your experience, for there is no such thing as “No” in an attraction-based Universe. *Your attention to it says, “Yes, come to me this thing I do not want!”*

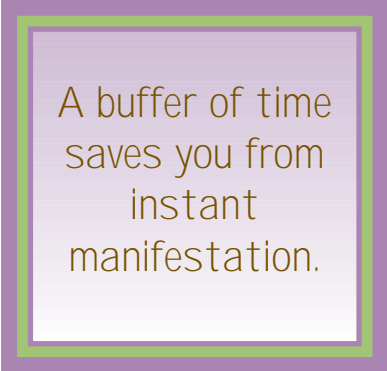

Fortunately, here in your physical time-space reality, things do not manifest into your experience instantaneously. There is a wonderful *buffer of time* between when you begin to think about something and the time it manifests. That *buffer of time* gives you the opportunity to

redirect your attention more and more in the direction of the things that you actually do want to manifest in your experience. And long before it manifests (actually, when you first begin to give thought to it), you can tell by the

way you *feel* whether it is something you want to manifest or not. If you continue to give your attention to it—whether it is something you want, or something you don’t want—it will come into your experience.

*These Laws, even if you do not understand that they do, affect your experience even in your ignorance of them. And while you may not be aware of having heard of the Law of Attraction, it’s powerful effect is evident in every aspect of your life experience.*

*As you consider what you read here and begin to notice the correlation between what you are thinking and speaking and what you are getting, you will begin to understand the powerful Law of Attraction. And as you deliberately direct your thoughts and focus upon the things that you do want to draw into your experience—*

A buffer of time  
saves you from  
instant  
manifestation.

**Awesome to the MAX!** This book is so totally awesome to the MAX!!!! I love Esther and Jerry Hicks for providing us with this labor of love teachings of Abraham.

I got ripples of pleasure up my spine while reading this incredible book. The words and meaning go to the center of my heart and resonate throughout my entire being. I am so happy and grateful to have this treasure of a book. This understanding of how *Law of Attraction* works has improved my life over a hundred fold. I can't say enough how much I love and adore these teachings.

Life gets better and better when you know that *Law of Attraction* is working in every aspect of your life and in the world. This is some good stuff indeed!  
Shawna Fogo—CA

**Great gift** What a great gift this book is. The basics of the teachings of the acknowledged greatest teachers on the planet. I bought three of these books myself! After all, gift-giving time is coming .... If one is looking for a teacher, why not go straight to the Source?  
Kathleen S. Goode—CO

**Read this book first** "The Law of Attraction," a great Universal Law, is explained more clearly than I have ever seen. You will learn what the Law of Attraction is, how it works and how to work with it to create the life you desire.

I love all of the work that Jerry & Esther Hicks have done with Abraham and the teachings that they have presented. But, if I could choose only one of their books to read, this would be the one.

The *Law of Attraction* is something that affects all of us, all of the time. By learning more about this great law, we can better understand how our thoughts create our realities and what we can do to start creating and attracting the lives that we desire.

I would definitely recommend reading this book first, before reading *Ask And It Is Given* by the same authors. It provides a very good foundation for the information that is contained in that book.

So few of us realize how powerful we truly are, how our thoughts are constantly attracting our life experiences and what we need to do to attract what we desire. This book provides not only information and answers, but also guidance and techniques to work with the *Law of Attraction*.  
Rev. Jeff—NY

**Make life wonderful** Any fan of Wayne Dyer, Neale Donald Walsch, Louise Hay, Deepak Chopra, Doreen Virtue, John Gray, Christine Northrup and many others will see a kindred spirit in Abraham. I can not recommend this book enough, it not only changes your life - it teaches you how to make life wonderful! This is my Christmas present to everyone this year!  
Marsha—SC

### Nuts & Bolts of reality creation

Esther and Jerry Hicks have been putting out the Abraham material for about twenty years, but I only discovered it about a year ago and have now read their last three books. This latest one, *The Law of Attraction*, is probably the most succinct and direct summary of the philosophy, which is actually quite simple, though not always easy to put into practice. I would recommend this book to anyone familiar with self help type material, as well as anyone new to this kind of thing. If you are already something of a self-help junkie, you will find Abraham amazingly clear and no frills. I mean this in a good way, for when studying a system of self-improvement, you don't need a lot of theory and superfluous philosophy, ritual, chatter and so forth. Some of these can be fascinating, but if you are mainly interested in improving your life, what's crucial are the fundamentals. For the same reason, this book is an excellent introduction to the whole concept of the law of attraction. In the forward, author Neale Donald Walsch says, "This is it...put all the other books down." A strong statement, but it illustrates the power and importance of Abraham's message.

Essentially, the message of this book is that your thoughts and feelings determine your reality. Esther acknowledges that she first encountered the phrase, "You create your own reality" in Jane Roberts' *Seth* books. But if you are primarily interested in putting these ideas into practice, as opposed to studying them, I would recommend Abraham. The

advice Abraham gives again and again is that it's important to feel good, because how we feel attracts more of what we have, whether good or bad. A simple message, but unless you have truly mastered it (or dismissed it as impossible, in which case this book obviously won't be of interest -Abraham makes no effort to prove the "validity" of the ideas to skeptics) this book is one you should definitely read.

Lleu Christopher—NY—Internet

**A kazillion-fold benefits** Elegantly simple. Excellently clear. Powerfully thought-provoking. Money well spent. Your interest and attention focused upon these concepts will benefit the quality of your life a kazillion-fold.

This is high priority, first class, useful life information. I particularly enjoy the question and answer format for it forever stimulates new questions in me. Jerry is a thorough questioner. His questions resonate with my own. Do not be fooled by the simplicity and clarity. Time and again, I discover I can read the same passages on a new day and they will repeatedly trigger new 'light bulbs' self discovery moments. The same words continually open and I gain fresh new insight.

An aside... I also love the beautiful violet cover with the acacia tree. Giraffes love acacias. With their very long necks it is easy for them to reeeeeeach for that better feeling thought. And now with this book, so can we.

G-SERIES TAPES or CDs — WINTER, 2005

### *The Value in Understanding the Law of Attraction!*

We want you to at least be willing to acknowledge that life is supposed to be good for you; that you are Source Energy in a physical body; that you have an inheritance of massive proportion that you are expecting to reap here in this specific physical lifetime; that you can't stop "asking," and that Source adores the asking process because you take Source to a place that Source could not be if you were not asking...

You've been "asking," for that which is Source, for a very long time. Now, it's time for you to do it for you. Do it because it feels good. And when you get onto that (what others will call) *selfish bent*, your life will begin to take the form that it was in when you made the decision to come forth into this physical body.

When you understand *Vibration*, and when you understand the *Law of Attraction*, you never again feel the mystery of life, because you will have a clear understanding of *why* everything happens in just the way it does. And as you understand the way the Universe works; and as you begin to deliberately apply the Laws—which will always be consistent with you—your vulnerability will absolutely vanish. You will feel the invincibility that you were born feeling. And we will be applauding you, every step along the way.

There is so much love here for you. And, for now, we are complete.

## Quarterly Quotes from Abraham-Hicks

**W**e come forth not to alter your beliefs, but to reacquaint you with the *Eternal Laws of the Universe* so that you may *intentionally* be the creator that you have come forth to be, for there is not another who attracts into your experience that which you are getting—you are doing it all.

We come forth not to get you to believe anything, for there is not that which you believe that we do not want you to believe. And as we are viewing this wondrous physical Earth plane, we see great diversity in that which you believe—and in all of that diversity, there is perfect balance.

*Rather than trying to monitor your thoughts, we encourage that you simply pay attention to how you are feeling. For if you should choose a thought that is not in harmony with the way that broader, older, wiser, loving Inner Being part of you sees it, you will feel the discord, and then you can easily redirect your thought to something that feels better, and therefore serves you better.*

**I** see myself in perfect health. I see myself in absolute prosperity. I see myself invigorated with life, appreciating, again, this physical life experience, which I wanted so very much as I decided to be a physical Being. It is glorious to be here, a physical Being, making decisions with my physical brain but accessing the power of the

Universe through the power of the *Law of Attraction*.

*There are as many different worlds as there are perceivers or Beings, or individuals. You are not here to create one world where everyone is the same, wanting and getting the same. You are here to be that which you want to be, while you allow all others to be that which they want to be.*

**T**he achievement of anything that you desire must be considered success, whether it is a trophy or money or relationships, or things. But if you will let your standard of success be your achievement of joy—everything else will fall easily into place. For in the finding of joy, you are finding vibrational alignment with the resources of the Universe.

**M**any around you want to point out “reality” to you.” They say, “Face the facts. Look at *what-is*.” And we say to you, *if you are able to see only what-is—then, by Law of Attraction, you will create only more of what-is... You must be able to put your thoughts beyond what-is in order to attract something different or something more.*

**W**hen you understand the *Laws*, then you understand that it is not more difficult to create a castle than it is a button. They are equal. It is not more difficult to create \$10 million than

## Quarterly Quotes from Abraham-Hicks

*\$100,000. It is the same application of the same Law to two different intentions.*

**Y**ou will notice that those who speak most of prosperity, have it. Those who speak most of health, have it. Those who speak most of sickness, have it. Those who speak most of poverty, have it. It is *Law*. It can be no other way... *The way you feel is your point of attraction, and so, the Law of Attraction is most understood when you see yourself as a magnet getting more and more of the way you feel.* When you *feel* lonely, you attract more loneliness. When you *feel* poor, you attract more poverty. When you *feel* sick, you attract more sickness. When you *feel* unhappy, you attract more unhappiness. When you *feel* healthy and vital and alive and prosperous—you attract more of all of those things.

**I**f you intend to be of assistance, your eye is not upon the *trouble* but upon the *assistance*, and that is quite different. *When you are looking for a solution, you are feeling positive emotion—but when you are looking at a problem, you are feeling negative emotion.*

**T**he child *is* thinking, and receiving vibrational thought from you on the day that he enters your environment. That is the reason that beliefs are transmitted so easily from parent to child, from parent to child, from parent to child. The child is

vibrationally receiving your fears, your beliefs, even without your spoken word... *If you want to do that which is of greatest value for your child, give thought only to that which you want, and your child will receive only those wanted thoughts.*

**I**t is of great value for you to give your *conscious attention to what you specifically want, otherwise you can be swept up by the influence of that which surrounds you. You are bombarded by the stimulation of thought. And so, unless you are setting forth the thought that is important to you, you can be stimulated by another's thought that may or may not be important to you.*

**A**s you give thought to your future—your future that may be 10 years; your future that may be 5 years; or your future that is 60 days away—you literally begin pre-paving. And then, as you move into those pre-paved moments, and as that future becomes your present, you fine-tune it by saying, *This, is what I now want.* And all of those thoughts that you have put forth about your future, right down to this moment when you are now intending what action you want to take, will all fit together to bring you precisely that which you now want to live.

Excerpted from book,  
“The Law of Attraction,  
The Basics of  
the Teachings of Abraham”

Continued from page 7

*you will begin to receive the life experience that you desire on all subjects.*

*Your physical world is a vast and diverse place full of an amazing variety of events and circumstances, some of which you approve of (and would like to experience) and some of which you disapprove of (and would not like to experience). It was not your intention as you came forth into this physical experience to ask the world to change in order to accommodate your opinions of the way things should be, by eliminating all things that you do not approve of and adding to the things you do approve of.*

*You are here to create the world around you that you choose, while you allow the world—as others choose it to be—to exist, also. And while their choices in no way hinder your own choices, your attention to what they are choosing does affect your vibration, and therefore your own point of attraction.*

### **My Thoughts Have Magnetic Power**

The *Law of Attraction* and its magnetic power reaches out into the Universe and attracts other thoughts that are vibrationally like it... and brings that to you: Your attention to subjects, your activation of thoughts, and *Law of Attraction's* response to those thoughts is responsible for every person, every event, and every

circumstance that comes into your experience. All of these things are brought into your experience through a sort of powerful magnetic funnel as they are vibrational matches to your own thoughts.

*You get the essence of what you are thinking about, whether it is something you want or something you do not want...* That may be unsettling to you at first, but in time,

it is our expectation that you will come to appreciate the fairness, the consistency, and the absoluteness of this powerful *Law of Attraction*. Once you understand this *Law*, and begin to pay attention to what you are giving your attention

to, you will regain control of your own life experience. And with that control you will again remember that there is nothing that you desire that you cannot *achieve*, and nothing that you do not want that you cannot release from your experience.

Understanding the *Law of Attraction* and recognizing the absolute correlation between what you have been thinking and feeling—and what is manifesting in your life experience—will cause you to be more aware of the stimulation of your own thoughts. You will begin to notice that your own thoughts may be stimulated from something you read, or watch on television or hear or observe from someone else's experience. And once you see the effect that the *Law of Attraction* has

## A NEW YORK TIMES BEST SELLER

The ground-breaking philosophy of practical spirituality, that you are about to discover in this book, was first revealed to Esther and me, in 1986, in response to the very long list of questions that I had been, for many years, without answer for.

Within these pages you will find the very basics of the *Teachings of Abraham*<sup>™</sup> as they were lovingly spoken to us in the very first days of our interactions with them.

The recordings from which this book evolved were first formally published in 1988 as part of an album of ten Special Subjects cassette recordings. But since that time many aspects of Abraham's basic teachings regarding the *Universal Law of Attraction* have been published in varied forms of books, CDs, DVDs, card decks, calendars, articles, radio and television shows, and workshops, as well as by the many other best-selling authors who have incorporated the teachings of Abraham into their teachings... However, never before this book, *The Law of Attraction*, have these original teachings been published in their entirety in a single volume. — Jerry

## SPECIAL SUBJECT CDS or TAPES — VOL I

FOCUSED IN OUR NOW, the only point in which we have the power to create — neither speculating into the future nor reminiscing into the historical past — ABRAHAM speaks, primarily, toward that practical information which we can personally learn to deliberately apply to our current experience and thereby gain beneficial results....

From their broader perspective, unencumbered by your cultural beliefs, ABRAHAM reaches into a place, within you, of clear, primal acknowledgement, from which you will repeatedly hear that enthused inner “voice” reminding you, “I knew that!”

*As you experience these Special Subject recordings, expect a fresh state of joyous becoming, for ABRAHAM'S words will stimulate you to a new beginning. Expect to retain the beliefs that are of value to you, and learn to become unaffected by any acquired beliefs or influences that have been a hindrance. ABRAHAM guides us, first, to harmony with our Inner Being, and then, all else that we desire falls into perfect alignment.*

To build a foundation of an understanding of Abraham's teachings, begin with the recordings CD-1, (AB-1 on Tape) *Free Introduction To Abraham*, through CD-5, (AB-5 on Tape) *Segment Intending*, and then progress through the *Special Subject Series*—as per the order of your interest. Each recording addresses different levels of awareness, and as you repeatedly listen to them, as you are moving forward, you will continually be achieving new insights and experiences.

## SPECIAL SUBJECT CDS or TAPES — VOL I

**\*CD-3/AB-3 LAW OF DELIBERATE CREATION** — Discover the ecstasy of understanding universal Laws which are absolute — no matter what the circumstances. Without an understanding of this universal Law, it is as if you are playing in a game where the rules are not understood, so it is not only impossible to know if what you are doing is appropriate, but you do not know how to win the game. The rules of the game of life are clearly offered here.

**\*CD-4/AB-4 LAW OF ALLOWING** — Of all things that you will come to understand through this physical life experience, nothing is more important than to become an allower. In becoming an allower, you are free of the negativity that binds you. Learn the joyful difference between tolerating and allowing — and experience the blissful difference in every relationship you have.

**\*CD-5/AB-5 SEGMENT INTENDING** — Our futures are individually paved by the steady stream of thoughts we set forth. We are literally creating our future life as we direct our thoughts of this moment into the future. Discover the magnificent power you hold in this moment — and learn how to use that power always to your advantage.

**CD-6/AB-6 GREAT AWAKENING & BLENDING** — You have deliberately and excitedly chosen this time to be physical beings upon this planet, because you knew in advance that this would be the time when many — not all — physical beings would recognize the broadness and great value of their being. Follow this step-by-step process for awakening.

**CD-7/AB-7 RELATIONSHIPS & AGREEMENTS** — We are all creators as we individually think and plan, but we are also often co-creators as we interact with others. Most relationships with others are far less than we want them to be. Find out why. Discover how to rejuvenate unhealthy relationships and attract new harmonious ones.

**CD-8/AB-8 BODILY CONDITIONS** — Nothing is more important to us than the way we feel and look, and yet so many do not look or feel as they would like to. There is not a physical apparatus, no matter what the state of disrepair, that cannot have perfect health. Discover the powerful processes to bring your body to the state of being that pleases you.

**CD-9/AB-9 RELIGIONS & BIBLES** — While it can be satisfying to read and remember the teachings of the great ones who have gone before us, it is ever more joyous to discover the power of that knowledge within our own being. Learn the process to go within — as Christ encouraged — to experience the blissful oneness with Christ.

**CD-10/AB-10 ADDICTIONS & HABITS** — Habits, or compulsions, or addictions can range from annoying to destroying. Often, long after they are no longer wanted, they can bind and control your life. As you listen to this recording — you will for the first time understand exactly what the addiction is, and the simple process offered here will free you from it.

## SPECIAL SUBJECTS TAPES — VOL II

...I AM A MEDICAL DOCTOR and have not, before, run across material that has this much potential to create health...Have enjoyed Abraham's books and tapes beyond any expectations I had when my mother originally sent them. I would like to subscribe to your "Weekly Tape Program". Thank You. CHRISTIANE NORTHRUP, MD — ME — Best Selling Author of *Women's Bodies*, *Women's Wisdom*.

**AB-12 PIVOTING & POSITIVE ASPECTS** — If I am the "Creator of my own experience", why don't I have more of what I want? Fostered by an action oriented world, most of you do not understand your true nature of attraction, thus the confusion in why you are getting what you are getting. These processes of pivoting and the book of positive aspects will assist you in the self-discovery of what is important to you, and will put you in the strong, clear place of Well-being, so that you can allow what you want into your experience.

**AB-13 SEXUALITY & SENSUALITY** — Love, sensuality and the perfect sexual experience — pleasure vs. shame. This misunderstood issue lies at the heart of more disruption in the lives of physical beings than any other issue. Discover the true nature of your being, and release yourself from the negative turmoil that surrounds the subject of sexuality.

**AB-14 DEATH & LIFE** — Aging, deterioration and the perfect death experience — choices vs. chances. The gathering of years is a natural experience. However, deterioration of your physical body is neither natural nor necessary. Be healthy and productive and active and happy until the very day of your chosen re-emergence into the Non-Physical.

**AB-15 DOLLARS & ABUNDANCE** — Abundance, in perfect flow — gaining the freedom that dollars can bring vs. losing your freedom while gaining your dollars. As there is an abundance of the air you breathe, so there is an abundance of the dollars you seek. Listen and learn how to relax and breathe in the fresh air of freedom offered to you through the abundant flow of dollars.

**AB-16 HEALTH, WEIGHT & MIND** — The perfect states of weight, health and mind — how can I get there and stay there? Diet plans abound and research continues and yet the number of those unsuccessful at maintenance of satisfactory bodily and mental conditions increases. Understand how your body functions and why you are as you are — and then begin your swift and steady progress toward that which you desire.

**AB-17 MATING** — The perfect mate: getting, being, evoking one — Attracting vs. attacking. While it is your natural endeavor to co-create with others, there are few who have discovered the bliss of magnificent relationships. Find out how you can experience the joy of a perfect union.

## SPECIAL SUBJECT TAPES — VOL II

**AB-18 PARENTING** — Perfect harmony between my children and me — and me and my parents. Harmonizing vs. traumatizing. While often disconnected from parents, either by death or by distance, your parent/child relationships often have great influence in your experience with your children or with your current life experience. Learn how to perceive what has been in a way that is beneficial to your now rather than destructive. Let that which you have lived be of value.

**AB-19 CAREER** — The perfect career. What, where and when is it — and what can I do about it now? With so many exterior standards or rules regarding the appropriateness of your behavior or choices — in most cases more confusion than clarity abounds. Use this process to discover and attract that which is perfect for you. Stop the futile backwards approach — and begin creating from the inside out.

**AB-20 SELF APPRECIATION** — If I am so "Perfect as I am" — then why don't I feel better about me than I do? Selfishness vs. selflessness. Your awareness of your perfection was intact as you emerged into this physical body, but it was soon sabotaged by the critical, comparing, judgmental world that surrounded you. Rediscover your true sense of value and Well-being and perfection.

**AB-21 INNER GUIDANCE** — Tell me more about my Inner Voice? Because you have thought in terms of being dead or alive, you forget that you are, simultaneously, physically focused while another part of you remains focused from Non-Physical perspective. Once remembering that the inner you exists, you may begin to listen to what your Inner Voice is offering. Here is the process for re-establishing that important conscious connection.

## A Twelve Point Synopsis of Abraham-Hicks' Teachings

### **1** *You Are a Physical Extension of That Which is Non-physical.*

All-That-Is, or that which you call God, is not finished and waiting for you to catch up. You are the leading edge of thought, here seeking more: more of all that feels good to you, more of that which is fresh and gloriously uplifting. (You are, in essence, bringing heaven to earth.)

### **2** *You Are Here in This Body Because You Chose to Be Here.*

You chose the opportunity to experience this delicious contrast in time and space, and with great anticipation you came to co-create with other joy-seeking Beings, to fine-tune the process of deliberate thought. (What, where, when and with whom you create are your choices, too.)

### **3** *The Basis of Your Life is Freedom; the Purpose of Your Life is Joy.*

You are free to choose to discover new avenues for your joy. In your joy you will grow; and in your growth you add to the expansion of All-That-Is. (However, you are also free to choose bondage or pain . . . but everything anyone chooses is only because they believe it will help them feel better.)

### **4** *You Are a Creator; You Create With Your Every Thought.*

By the Universal Law of Attraction, you are attracting the essence of whatever you are choosing to give your attention to — whether wanted or unwanted. And so, you often create by default. But you can know by how your emotion feels if what you are attracting (creating) is what you are wanting or if it is not what you are wanting. (Where is your attention focused?)

### **5** *Anything That You Can Imagine is Yours to Be or Do or Have.*

As you ask yourself *why* you want it, the essence of your desire is activated, and the Universe begins to bring it to you. The more intense your positive feelings, the faster it is coming to you. (It is as easy to create a castle as a button.)

### **6** *As You Are Choosing Your Thoughts, Your Emotions Are Guiding You.*

Your loving Inner Being offers guidance in the form of emotion. Entertain a wanted or unwanted thought, and you feel a wanted or unwanted emotion. Choose to change the thought and you have changed the emotion — and you have changed the creation. (Make more choices in every day.)

### **7** *The Universe Adores You for it Knows Your Broadest Intentions.*

You have chosen to come to earth with great intentions, and the Universe constantly guides you on your chosen path. When you are feeling good, you are, in that moment, allowing more of that which you have intended from your broader perspective. (You are Spirit Incarnate.)

### **8** *Relax into Your Natural Well-Being. All is Well. (Really It Is!)*

The essence of all that you appreciate is constantly flowing into your reality. As you find more things to appreciate, your state of appreciation opens more avenues to more for which to feel appreciation. (As you think, you vibrate. As you vibrate, you attract.)

### **9** *You Are a Creator of Thoughtways on Your Unique Path of Joy.*

No one can limit where you can direct your thought. There are no limits to your joyous journeys to experience. On the path to your happiness you will discover all that you want to be or do, or have. (Allowing others their experiences allows you yours.)

### **10** *Actions to Be Taken and Possessions to Be Exchanged Are By-products of Your Focus on Joy.*

On your deliberately joyous journey your actions will be inspired, your resources will be abundant, and you will know by the way you feel that you are fulfilling your reason for life. (Most have this one backwards, therefore most feel little joy in their actions or their possessions.)

### **11** *You May Appropriately Depart Your Body Without Illness or Pain.*

You need not attract illness or pain as an excuse to leave your body. Your natural state — coming, remaining or leaving — is that of health and Well-Being. (You are free to choose otherwise.)

### **12** *You Can Not Die; You Are Everlasting Life.*

In grace, you may choose to relax and allow your gentle transition back into your Non-physical state of pure, positive Energy. Your natural state is that of Foreverness. (Have fun with all of this! You can't get it wrong, and you'll never get it done.)

**PS** *It is not necessary for even one other person to understand the Laws of the Universe or the processes that we are offering here in order for you to have a wonderful, happy, productive Life Experience — for you are the attractor of your experience. Just you!*

## FREE CD/CASSETTE “INTRODUCTION TO THE TEACHINGS OF ABRAHAM™”

*... Yesterday I received the Introduction to Abraham CD! Although I have been working with Abraham's ideas for more than a year, am a member of the "CD of the Month" club, and was very happily present at the workshop at the Biltmore Estate in Asheville, I had never heard the introductory tape. Well, the information on that CD helped me bridge a gap in my thinking about the principles of deliberate creation. And the clarity feels wonderful! Many thanks for the CD, and for all the wonderful work you are all doing!*

*With boundless appreciation, — LR — NC*

*... Thanks for the wonderful new Introduction CD. Wow! I'm so very pleased! My gratitude, for so much Joy and Well-Being that I am now experiencing, is immense. I resonated with the comments from the readers and listeners on the inside of the jacket cover of the CD: "I've been a 'searcher', 'seeker', 'sharer' since I was a teen," except in my case it's been since I was about 5. The next line just floored me, "My middle name was purported to be 'Why?'" How true... I was asking as a child. Especially as a child. I never stopped asking. And thank you for clarifying the role that "contrast" plays in our lives. Yes, all the pieces are finally falling into place. And also "Thank you for helping to put the fun back into my life". My entire experience has pivoted, literally.*

*Thanks again — In absolute bliss — BF — Canada*

This 74 minute newly remastered and musically scored *Introduction to Abraham* is now available in cassette or CD format. It's a comfortable way to share Abraham with those who seek a new way of realizing a more successful life experience.

## WORDS OF WISDOM FROM THE BROADER PERSPECTIVE

**OTHERS CHOICES NEEDN'T THREATEN YOU** when you understand these powerful universal laws, for you no longer feel a need for barricades or armies or wars, or jails, for you understand that you are free to create your world as *you* want it to be while others are creating their world as *they* choose it to be—and their choices don't threaten you... There are those things you are in absolute *harmony* with, and there are those things that you are in absolute *disharmony* with—and there is some of everything in between. You have not come forth to destroy or contain that which you do not agree with, for that is a continually changing thing. You have come forth to identify, moment by moment, what it is *you* want, and to use the power of your thought to allow the power of the *Law of Attraction* to draw that unto you...

Excerpted from Abraham's newest book: *The Law of Attraction*

## PRESENTING A POWERFUL 365 DAY COURSE IN SPIRITUAL PRACTICALITY

Habits are usually created slowly. And since a major aspect of the value to you of using this material will be the changing — often slowly — from unwanted habits of thought to habits of thought that are more appropriate to your current conscious desires — *but the most common use of this calendar will be as a joyous 365 day journey into a new world of leading edge thought and experience.*

Begin experiencing the power of this calendar at any time. You don't have to wait until the first of next year. However, in order to get into time sequence with the calendar — it is best to start at a month's beginning. Let the first day of your first month be day one (page three) of this calendar.

After over 30 years of studying, teaching and enjoying the art of personal fulfillment, I have long understood the power of clarifying and writing out my decisions in appointment books, journals, organizers, etc. But as the years passed, I became aware that at the most joyous and highly productive seg-

ments of my life — I simply carried, daily, a fresh, updated sheet of paper in my pocket. This works!

The first sides of the pages are compilations from the best of the Abraham teachings. The second sides of the pages are designed to accommodate your daily list of things to do. *But as the course progresses, you will discover that the pages will be offering processes and techniques to fit the advancing stages of your progression within these materials.*

Your only power to create your life is in this moment, and the Abraham-Hicks Planning Calendar is designed to focus the purest of your intentions to your todays, the time in which you have

your creative power.

*In our estimation, this Abraham-Hicks Planning Calendar/Workbook is the most effective tool available for the practical application of "The Science of Deliberate Creation." Utilize it to create and to teach others to create, the perfect (by your ever changing standards) adventure in living.*

*"If you want to change what you are living,  
you only have to change the balance of your thought." — Abraham*

## THE SCIENCE OF DELIBERATE CREATION

### *Abraham-Hicks Daily Planning Calendar and Study Group Workbook*

#### **A 365 DAY COURSE IN SPIRITUAL PRACTICALITY**

- The material in this calendar/workbook has been specifically intended as an experiential guide to comfortably change your balance of habits of thought to that which will enrich every aspect of your experience.
- Begin in any month. The pages are left to be dated by you.
- This is a study to do, not a study to simply peruse. It is a study to have fun with in every way that you can imagine.
- The pages are the size of two \$100 bills, side-by-side. Tear out a page a day. They are portable. Fold them into your wallet or checkbook, or simply carry them in a pocket. On one side you will find life enriching reminders of some things you may have forgotten and on the other side you can write intentions, ideas, names, numbers. Post them on your mirror, refrigerator, the sun visor of your car...
- Carry a seven day segment or a vacation segment with you when you are away from home — and then file them for future reference.

## SARA. BOOK 1 — Sara, and the Foreverness of Friends of a Feather

*...My whole family read this book and we haven't been the same since. My husband, perhaps, was the most moved by it. He actually said that it had such a tremendous impact on him that he looks at life with new eyes. It's like being nearsighted your whole life and then finally getting glasses. Everything becomes crystal clear.*

I cannot say enough good things about this life-transforming book. If there is only one book you ever buy, make sure it is this one. You won't regret it! (all ages)

— by Denise Tarsitano in the “*Rising Star Series*.”

**THE BOOK** *Sara, and the Foreverness of Friends of a Feather* is a novel about a young girl, Sara, who learns about life through a wise owl named Solomon.

As you settle into this book you will begin to experience Sara's life, almost as if it is your own. You'll discover that the questions that Sara's life uncovers will not be so different from the questions of your own life.

Sara has the benefit of a wise and wonderful mentor who not only knows the answers to all questions, but also understands that words don't teach. Solomon wisely helps Sara to find the answers to her very important questions through her own life experience. And as Sara discovers her answers — you will very likely discover some of your own, as well.

This book will awaken within you wisdom you were born with, that you may have forgotten. It will open you to who you really are. (all ages)

Seth has been gathering important questions all of his very short life. He can barely believe his good fortune in meeting Solomon, who understands all things.

The secrets of Thacker's Trail are known by more than Sara knew, and it turns out that Sara doesn't mind sharing her secrets as much as she at first believed.

***The Teachings of Abraham***

**masterfully combined with the music of Francine Jarry**

**Order CDAM-2 — \$15 + D/P**

Two wonderful albums of uplifting music that project the philosophy of Abraham in a way we have never felt it before.

If you like upbeat music, and if you are looking for a way to remind yourself of what you have learned from Abraham, you are going to love these musical albums.

Francine Jarry, our dear friend from Montreal, has truly captured the essence of Abraham's message in this wonderful music. The combination of this beautiful music, and Francine's clever interpretation of Abraham's message will take you to an even deeper level of understanding and most of all, of remembering the message.

Both albums include bright melodies that project a wide range of musical styles. From her *Count Your Blessings*, and *Reach for a Thought That Feels Better*; she carries us through to the rollicking *I Want to Live My Life to the Fullest*, and on to the elegant, meditative *Joy to the Universe*.

The second half of the *New Adventure* album promises to give the listener a first in a lifetime experience. You will be enraptured when you immerse yourself in this 30 minutes of Abraham's Rampages of Well-Being. Over Francine's haunting *Mayan Theme*, we have blended, from three live workshops, Abraham's *Living Happily Ever After* and *Finding My Core Beliefs*, and finally Abraham reminds us that our Well-Being is natural with their, never to be forgotten, *It Is Good To Feel Good*.

Continued from page 14

upon these thoughts that begin small and grow larger and more powerful with your attention to them, you will feel a desire within you to begin to direct your thoughts to more of the things that you do want to experience. For whatever you are pondering, and no matter what the source of stimulation of that thought... as you ponder that thought, the *Law of Attraction* goes to work and begins to offer you other thoughts, conversations, and experiences that are of a similar nature.

Whether you are remembering the past, observing the present, or imagining the future, you are doing it right *now*, and whatever you are focusing upon is causing an activation of a vibration that *Law of Attraction* is responding to. At first you may be privately pondering a particular subject, but if you think about it long enough, you will start to notice other people beginning to discuss it with you as the *Law of Attraction* finds others who are offering a similar vibration and brings them right to you. The longer you focus upon something, the more powerful it becomes; and the stronger that your *point of attraction* is to it, the more evidence of it appears in your life experience. *Whether you are focusing upon things you want or things you do not want, the evidence of your thoughts continually flows toward you.*

### Welcome, Little One, to Planet Earth

You may be feeling that it would be easier to be hearing these words if they had come to you on the first day of your experience upon this Planet Earth. And if we were talking to you on your first day of physical

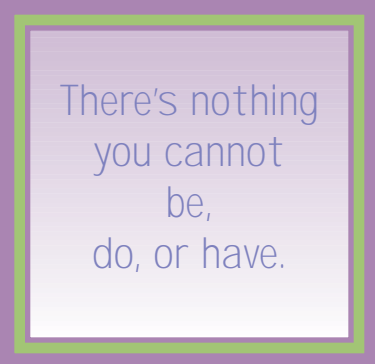

life experience, this is what we would be saying: *Welcome, little one, to Planet Earth... There is nothing that you cannot be, or do, or have. You are a magnificent creator, and you are here by virtue of your powerful and deliberate wanting to be here.*

*You have specifically applied the wondrous Law of Deliberate Creation, and by your ability to do that, you are here.*

*Go forth, giving thought to what you want, attracting life experience to help you decide what you want, and once you have decided, giving thought only unto that.*

*Most of your time will be spent collecting data—data that will help you decide what it is you want... Your real work is to decide what you want and then to focus upon it, for it is through focusing upon what you want that you will attract it. That is the process of creating: giving thought to what you want, so much thought, and such clear thought, that your Inner Being offers forth emotion. And as you are giving thought, with emotion, you become the most powerful of all magnets. That is the*

## 2005 ALASKAN CRUISE DVDS (DVDAK05—\$120)

This Alaskan "Well-Being" cruise yielded an amazing series of workshop sessions that were fortunately documented with more video cameras than we have ever had at any of our other seminars. After the cruise, it became clear that the people that Abraham called on, and the questions that the people asked, flowed in the most magical way and resulted in a beautiful and comprehensive summary of all of Abraham's most recent stories, analogies and processes that could only be called inspired!... So we have decided to release this entire experience as a "state of art" record of the Teachings of Abraham, which can be viewed repeatedly and shared with others as nothing else can, thanks to the powerful visuals that underscore all of the marvelous words... Running over 10 hours in length, this massive 5-DVD album set includes the complete series of 11 workshop sessions in their entirety. It even includes two "Bonus" segments documenting the thrilling experiences we had viewing an Alaskan glacier "calving" huge icebergs, and exploring an undersea world in a glass-bottom boat accompanied by some of our children and grandchildren. We proudly offer this unique and unprecedented collection here for all of our friends. — Jerry & Esther

*process by which you will attract (what you want) into your experience.*

*Many of the thoughts that you will be thinking will not be powerful in their attracting, not in the beginning—not unless you stay focused upon them long enough that they become more. For as they become more in quantity, they become more in power; as they are becoming more in quantity, and more in power—the emotion that you will be feeling, from your Inner Being, will be greater.*

*When you think thoughts that bring forth emotion—you are accessing the power of the Universe. Go forth, (we would say) on this first day of life experience, knowing that your work is to decide what you want—and then to focus upon that.*

But we are not talking to you on the first day of your life experience. You have been here for a while... *Most of you have been seeing yourself, not only through your own eyes (in fact, not even primarily through your own eyes) but through the eyes of others; therefore, many of you are not now currently in the state of Being that you want to be.*

**Is My “Reality”  
Really All That Real?**

We intend to offer you a process whereby you can achieve the state of Being that is of your choosing so that

you can access the power of the Universe and begin attracting the subject of your *wanting*, rather than the subject of what you feel is your actual state of Being. For, from our perspective, *there is a very great difference between that which now exists—which you call your “reality”—and that which your reality really is.*

Even if you sit in a body that is not healthy or in a body that is not the size, shape, or vitality, that you choose; in a lifestyle that does not please you; driving an automobile that embarrasses you; interacting with others that do not bring you pleasure—we want to assist you in understanding that while that may seem to be your state of Being, it need not be. *Your state of Being is the way you*

*feel about yourself in any point in time.*

Your *words* will not bring you immediate manifestations of what you are asking for, but the more often you say them, and the better you feel while you are saying them, the purer or less contradicted your vibration will be. And soon your world will be filled with these things you have spoken about... *Words alone do not attract, but when you feel emotion when you speak, that means your vibration is strong—and the Law of Attraction must answer those vibrations.*

### What Is the Measure of Our Success?

The achievement of anything that you desire must be considered success, whether it is a trophy, money, relationships, or things. But if you will let your standard of success be your achievement of joy, everything else will fall easily into place. For in the finding of joy, you are finding vibrational alignment with the resources of the Universe.

You cannot feel joy while you are focusing upon something not wanted, or the lack of something wanted; therefore, while you are feeling joy, you will never be in the state of contradicted vibration. And only the contradiction in your own thoughts and vibration can keep you from the things you desire.

We are amused as we watch the majority spending most of their life seeking a set of rules against which they can measure their life experience, looking outside of self for those who will tell them what is right or wrong, when all along they have within them a *Guidance System* that is so sophisticated, so intricate, so precise, and so readily available.

By paying attention to this *Emotional Guidance System*, and by reaching for the best-feeling thought that you can find right now from wherever you are, you will allow your Broader Perspective to help you

move in the direction of the things that you truly want.

As you sift through the magnificent contrast of your physical time-space reality, consciously aware of the way you feel, and deliberately guiding your thoughts toward those that feel better and better, in time you begin to see your life through the eyes of your *Broader Inner Being*. And as you do so, you feel the satisfaction of being upon the path that you have chosen from your

Non-physical perspective when you made the decision to come forth into this wonderful body. For, from your Nonphysical vantage point, you understood the eternally evolving nature of your Being and the promise that this Leading Edge

contrasting environment held. You understood the nature of your magnificent guidance system and how, with practice, you could see this world as your *Inner Being* sees it. You understood the powerful *Law of Attraction* and the fairness and accuracy with which it responds to the free will of all creators.

By reaching for the best-feeling thought you can find, you reconnect with that perspective, and you shiver with exhilaration as you reconnect with your purpose, with your zest for life—and with You!

## ABOUT THE AUTHORS

---

EXCITED ABOUT THE CLARITY and practicality of the translated word from the Beings who call themselves *Abraham*, **Esther** and **Jerry Hicks** began disclosing their amazing Abraham experience to a handful of close business associates in 1986.

Recognizing the practical results being received by themselves and by those persons who were asking practical questions regarding finances, bodily conditions, and relationships—and then successfully applying Abraham’s answers to their own situations—Esther and Jerry made a deliberate decision to allow the teachings of Abraham to become available to an ever-widening circle of seekers of answers to how to live a happier life.

*Esther & Jerry Hicks*

Using their San Antonio, Texas, Conference Center as their base, Jerry and Esther have traveled to approximately 50 cities a year since 1989, presenting interactive *Art of Allowing* Workshops to those leaders who gather to participate in this progressive stream of thought. And although worldwide attention has been given to this philosophy of Well-Being by Leading-Edge thinkers and teachers who have, in turn, incorporated many of Abraham’s concepts into their best-selling books, scripts, lectures, and so forth, the primary spread of this material has been from person to person—as individuals begin to discover the value of this form of spiritual practicality in their personal life experiences.

Abraham—a group of obviously evolved Non-Physical teachers—present their broader perspective through Esther Hicks. And as they speak to our level of comprehension through a series of loving, allowing, brilliant, yet comprehensively simple essays in print and in sound—they guide us to a clear connection with our loving Inner Being, and to uplifting self-empowerment from our Total Self.

The Hickses may be contacted through their extensive interactive Website at: [www.abraham-hicks.com](http://www.abraham-hicks.com); or by mail at Abraham-Hicks Publications, P.O. Box 690070, San Antonio, TX 78260.

### *COMMENTS FROM READERS & LISTENERS:*

...It’s hard to believe that life could be so simple and so joyous... Thank you, so much, for making an already good life even better! (With lots of good feelings) SC — PA

...I’ve been a “searcher,” “seeker,” “sharer” since I was a teen. My middle name was purported to be “Why?” The information from Abraham is so down-to-earth, useful, compelling, exciting, sensible, practical, empowering, clear, usable. I’m a marvelous deliberate creator now. Thanks for putting the “fun” back into physical life. JS — AZ

...Am so delighted to be reading your books, listening to your tapes and attending your seminars. I am so happy and getting happier and clearer every day. My life has been leading to this point, and it feels like the icing on the cake. I know everything will just get better, although it’s hard to know how. What a powerful gift you’ve given us — the recognition of our ability to create the life we want, and the tools to carry out the plan. Thank you for sharing. — CA

Alaska—July 8 to July 15, 2007**

Dear Jerry & Esther,

I am still basking in the sweet afterglow of my Abraham Alaskan

Well-Being Adventure cruise. Abraham encouraged us to reach for the memory that thrills us. Well, I have many more to draw on after that cruise. Thank you for providing me the opportunity to take my dream trip. For me it was a time to be with others and “comblisserate,” (*not commiserate*). I have coined the word to remind myself that I intend to raise my vibration and to uplift others. Being with those other students of Abraham in such a glorious

place was the perfect opportunity for me to practice my comblisseration.
