Protection / Travel Insurance Options

There are two optional types of plans that may be selected to protect your cruise investment.

1) Princess Travel Care Protection Plan

(Covers cruise portion only but not your seminar or Worldview Travel fees)

For your convenience, Princess offers Princess Travel Care and Princess Travel Care Gold which provides what is perhaps the most attractive combination of protection and flexibility available in cruising today. Princess Travel Care includes Trip Cancellation and Interruption Protection, which provides up to full reimbursement for the otherwise non-refundable cancellation fees if you must cancel or curtail your trip due to eligible medical conditions or other specified causes affecting you, your immediate family members or your traveling companions.

Princess Travel Care and Princess Travel Care Gold also offers unique flexibility that many other programs lack. If you have to cancel your cruise for an ineligible reason - any reason at all - you'll receive from Princess Cruises a future cruise credit equal to 75% (90% with Princess Travel Care Gold) of the normally otherwise non-refundable cancellation fees. Our Princess Travel Care plans provide coverage for most medical expenses while away from home including emergency evacuation should illness or injury occur during your trip. For just \$50 more, our Princess Travel Care Gold program doubles your medical, lost baggage and emergency medical coverage limits.

Princess Travel Care Protection can be added to your cruise booking up to the final payment date of November 17, 2008. Adding this protection above to your cruise booking must be done by contacting Worldview Travel. Below are prices in US dollars for each cruise price range (prices are per person):
