**T**he more  
you want,  
the more  
you get—and so,  
the bigger the  
Universe becomes.  
Your economy isn't  
expanding because  
more stuff is being  
trucked in from  
other planets.  
Your economy is  
expanding because  
your desires are

## Hello from Jerry & Esther

---

Esther basking at Abraham-Hicks Publications Gardens

Dear Friends,

Jerry has been working on our schedule for 2007 and 2008. What fun we are having anticipating visiting you as we travel from place to place. It is great fun to watch Jerry molding the schedule into shape as he carefully considers a multitude of factors that help him to make the decisions he makes.

Of course, it is our desire to see as many of you, in your home town (so to speak) as possible, and we truly appreciate the traveling that so many of you do to rendezvous with us. He also considers the larger weather patterns: We avoid snow, ice, hurricanes, hail and tornadoes, and we embrace the most comfortable weather as we begin in the southeast and work our way northward to prolong our view of the beautiful spring flowers and the blossoming trees along the east coast. And then we enjoy the fall foliage that we manage to hold onto for many weeks because we begin the fall leg of our journey in the northeast stopping in all of our favorite places to hold seminars as we move south in the fall. In the winter we travel to warm places and in the summer we travel to cool places. We think we're pretty darn smart the

way we zig and zag around this nation catching the very best of it, always.

Right now, I'm sitting under the giant oak trees at our Center in Texas, watching and *hearing* our beautiful babbling brook as it cascades down the hillside into the fish pond. None of this was here when we purchased this property. We saw it in our mind's-eye for years; then it was under construction for years, and now, here it is, so much more beautiful than I had ever imagined.

A hawk flew down to check out the stream, and then a red cardinal fluttered down for a bath, and then a squirrel stopped for a drink (first time I've ever seen that!) I'm noticing something new that I don't think I've ever considered before as I compare the *envisioning* that we did about this stream and pond, and gardens, with the *real life experience* of it. As I'm sitting here I am seeing bright red dragon flies, and bright yellow butterflies, and the dripping springs falling down the stacked boulders that cascade out over the pond. I can see the stream and the giant oak trees, and the large windmill high in the sky behind the Center building. I

## It's All About Vibrational Relativity

---

Whenever you start guiding yourself by caring about how you feel, you start guiding yourself back into your Stream of Source Energy, and that's where your clarity is; that's where your joy is; that's where your flexibility is; that's where your balance is; that's where your good ideas come from. That's where all the good stuff is accessed from... *You cannot get to the good stuff from the place of feeling bad—it defies Law. And you cannot get to bad stuff from the place of feeling good—it defies Law.*

But you've got to decide first, that it is good to feel good. It is so screwy... how did you ever get crosswise of that? "Let's see now, struggle is good; pain is good." And we say, in what world? Oh, they promised you that it would be good after you die. Well, they lied... It *will* be good after you die, but not because you've paid the price of struggle.

It's just good when you die because when you die, you quantum leap into Pure Positive Energy. When you die, you stop beating the drum of all of those things that have been keeping you from full Connection to Source.

But friends, as long as you're here in these physical bodies, quantum leaps, rare as they are, never last. That's not the route you're wanting to go. You're not wanting to jump right to bliss from despair. Just work your way up your emotional scale.

So here's this Emotional Scale. On one end of it, it feels really

good; on the other end it feels really bad. On the really good-feeling end there is your perception of freedom. On the really bad-feeling end, there is your perception of not freedom. (And

we carefully ask Esther to find the word *perception* because freedom is perceptual.) You *are* free. You're so free, you can choose bondage. You

You will not get  
to bad stuff  
from a place  
of feeling good!

---

---

are so free, that no one can do anything *to* you. You are so free, that you are the only one who is causing anything to happen in your experience.

You say, "But wait. That person did such-and-such to me."

And we say, but it was your observation of it, and the subsequent contradiction in vibration, that caused the vibrational meltdown within you that disallowed the Well-Being that would have been

there if you hadn't been observing it. And you say, "Well, I wouldn't have been observing it if they weren't doing it." And we say, yes, but now you're getting into that realm where you have to control the conditions. Now you're saying, "If I observe things that feel bad, I feel bad. So, I need to find some way of controlling things so that everything that I observe will be good." And we say, give it up! You don't get to decide what other people put in their pie.

Nobody can put anything in your pie unless you observe what they're putting in their pie. And when you observe what they're putting in *their* pie, now you're a vibrational match to what they're

putting in their pie, and now you're putting it in *your* pie. And now you're blaming them because you've got it in your pie! But you are the one who put it in your pie.

"No, I didn't," you say, "I didn't put it in my pie. They put it in my

pie. They put it in their pie first, and then some of it got in my pie."

And we say, none of it could have gotten in your pie if you hadn't had your nose in their pie. If you hadn't been paying attention to

somebody else's pie, you wouldn't have their stuff in your pie. You only get in your pie what you are giving your attention to.

And you say, "Well, it's hard not to notice what other people are putting in their pie." And we say, we know it can be hard, but maybe you could start making your own pie and getting interested in that. "Well, my pie isn't as interesting as their pie. Their pie's on CNN! Their pie is on the front page of the newspaper. Their pie is on my soap opera and on all the television programs. The stuff that they're putting in their pie seems to be everywhere. And because it's everywhere, it keeps getting in my pie." Only because you're giving

Your attention  
to it  
puts it  
in your pie!

### SIMPLE “DO-ABLES”

Dear Jerry & Esther & Abraham,

Thank you from the bottom of my heart for your work!!!! I started reading your book on New Years Day this year and now that I have a beginners handle on the teachings of Abraham, I can barely wipe the smile off my face.

This is, for me, finally, the good news of the kingdom of heaven, within me, on earth! Hooray!!! At last!! Thank you so much for not just teaching “follow your bliss”, but for also giving us the tools to unblock ourselves to get back to that state. Thank you for giving us so many simple, “do-able” and effective “how to’s”... One of my most joyous thoughts I can conjure, is that of bringing my whole family to the States to go on the cruise, so, until then, much love and gratitude,

Susan—Australia

### LIFE BEFORE WEEKLY CDS?

I look forward to receiving the Quarterly Journal and I especially enjoy the messages from Jerry and Esther. It was wonderful to read Abraham’s words regarding the benefit of the journal to Jerry and Esther. My husband and I begin each day listening to Abraham...an embrace...a cup of coffee and Abraham...not always in that order. It brings tears to our eyes to think about how our lives have been enriched and we think about it as often as our vibration allows... Your weekly CD program is as important to our lives as we are to each other...what was life like before??? Thank you so much...continue to have a wonderfully fulfilling time bringing Abraham to us in the format you do, and we will continue to have a wonderfully fulfilling time participating.

Judy DuBiel—NY

### AMAZING SEMINAR!

*Thank you* for the amazing effect you have had on my life. Today’s seminar in San Diego was my third time experiencing the wonder of Abraham first hand, but today was, by far, the most powerful... I’m not sure if it was the collective energy of the people in the room, the beauty of our surroundings, the “frisky” mood that you two seemed to be in or just a confluence of forces, but the entire day today, I could literally see and feel a field of energy surrounding Esther’s body (and the entire room) while Abraham was speaking. And the subject matter that came up today was so powerful and spoke so directly to me that I still feel my entire body “buzzing” with excitement about all the amazing things I want to create in my life and the journey that lies ahead. Actually I am more excited about the journey than the manifestation of any particular desire. That is quite an empowering feeling :)... You truly have made a difference and I thought you would appreciate knowing that... Hopefully I will see you again on the Alaska cruise this summer!

Matt Schwartz—California

### PRIVILEGED TO SHARE

I have enjoyed and benefited greatly from your amazing messages. I resonate perfectly with the content of your teachings and consider myself very privileged to be able to share them with my family, friends and with the children in the school where I teach. Could you please send & bill me for: One Monthly CD per month.

Cathrine D—South Africa

## Love ➤ Appreciation ➤ Love

**BLOWN AWAY!** I just finished listening to *Special Subjects Volume I* and was blown away by how powerful this material is to me. It is like nothing I have ever heard, and I have read and listened to hundreds of books and tapes to achieve my dreams and goals, but my past was always before me replaying over and over... I now listen to Abraham's message repeatedly to fine-tune my vibrational frequency that has been on the wrong station for so long. It is a beautiful message of hope, and I want to thank you for your service in bringing this to people... Also, I would like to subscribe to your monthly CD.

Thank you,  
Kenneth Meunier—CA

### AN EXCITING WEBSITE!

How fabulous and exciting the new format of your website is! My first thing in the morning is - next to coffee - enjoying your daily quote and getting inspiration from it. It always hits right home. Today's quote inspired me to go on browsing through your website, and now, nearly two hours later, I am still at it, enjoying myself tremendously and exploding with new ideas, acceptance and joy... Your wonderful work and messages, and shining examples, help me move up my emotional scale. I know I can do it all! With great loving appreciation,

Liane—Switzerland

### FOR THE WHOLE WORLD?

THANK YOU for helping Abraham's soothing and inspiring words to reach so many of us! I am a student in England and came across your book while on placement in Canada, and what a difference it has

made to my life!!!! I wish I could spread the word to the whole world! Yet I know things will get better for so many of us, for if I can enjoy strings of moments that feel like I am in "heaven on earth" on many occasions—then I know others around me can, too... I pray your awesome work will touch many, many, many, more souls to remind them of who they really are...

Jenine—England

### TO THE DRIVER'S SEAT

Wow! It's a beautiful thing how this *Art of Allowing* illuminates what once was a seemingly regular life. It's like moving from the passenger seat to the driver's seat of our lives. Thanks Jerry for your questions and the asking. Your quest intersected my asking, and I've become an avid listener of Abraham's perspective. Thank you Esther for your allowing. Your example shows me the field of possibilities we each hold.

My life has blossomed in so many beautiful ways since I was first introduced to your material. I've turned many desires into incredible experiences; New Year's in Italy 2005; Thanksgiving in Paris, thriving business and many more...

I love how Abraham delivers their message. By their sheer example Abraham has taught me about the nature of compassion. (Powerful!) It's such an inside job. It's a support and belief in the best potentials of people.

My favorite aspect of Abraham's work is how I am making a stronger connection and identification with the true me—the broader me—the authentic me. As I continue to work on myself, I discard those habitual limiting aspects. *Thank you* isn't dynamic enough to express my gratitude.

Rahim Rasul—Atlanta, GA

G-SERIES TAPES or CDs — SUMMER, 2005

### *It's All About Vibrational Relativity*

**VIBRATIONAL RELATIVITY IS EVERYTHING:** You can tell by the way you feel if you're moving towards something you want, or towards something you don't want. Ninety-nine percent of it (plus) is going to come into being before you see any evidence of it, which means, there are a whole lot of things that you are right now on the brink of... Be as good to yourself as you can be, and everyone else, too. Reach for thoughts that feel good, no matter what the direction of them. And if they don't feel good, just try to make them feel as good as they can feel... And if they still don't feel good, just try to make them feel as good as they can feel. And if you'll stay with it for as little as 68 seconds, you'll have a breakthrough where they will feel just a little gooder. And then pat yourself on the back and say, "That was a minute well spent." Be selfishly, selfishly, selfishly interested in the way *you* feel, and let everybody else take care of the way *they* feel, and it is our promise to you, that you will fulfill your reason for being; you will contribute to this time/space reality in the most emphatic way imaginable; you will fulfill your every dream as they continue to unfold, and, most of all, you will live the life of joy that is your legacy.

Atlanta, GA — 4/28/05

**G-4-15-05** Abraham discusses the subject of Vibrational Relativity. Is death more pleasurable than orgasmic sex? Will our planet sustain our chemical waste? Teaching children the Law of Attraction principles? It works; it works; it really works! It's their land, but it's her view. Abraham closes the "I Can Do It" Las Vegas Workshop.

**G-4-24-05** Are you making peace with your worthiness? You came for the fun of the creation. Fearing her fear of feeling multiple fears. Does money have its own vibrational frequency? Does Abraham feel desires other than ours? Husband transitioned before their dreams were fulfilled. She continues to attract another disappointing relationship.

## G-SERIES CDS/TAPES SUMMER, 2005

**G-4-28-05** Focus on the “Truth” that feels best. If it feels good, it is good. Is not compassion for pain ever appropriate? Her “messy teen is leaving food everywhere.” The evolving coral reefs weren’t always there. Beautiful example of some “supportive self-talk language”. Abraham closes the Atlanta Georgia Workshop.

**G-4-30-05** Source Energy rides on your launched desires. When there is sweet relief in revenge. When parents become arbitrators of siblings’ squabbings? Attracted abuse to herself and her children? Felt guilt about leaving frightened husband home. She feels inferior when she’s with others. Abraham closes the Saturday Asheville NC Workshop.

**G-5-1-05** Your unique desires are good for All-That-Is. With what do we Balance our Energy? She is concerned about creative timing. Struggling with getting married and having children. A career choice for an uncommon person? Any tweaking hints toward her joyous expansion? Which city will make him happiest?

**G-5-7-05** Source feels such joy in a new idea. There’s no competition; the resources are infinite. She is appreciative of Abraham’s patience. To balance children, business and husband’s underwear. To whom much is given, what’s expected? Three years ago, his realigning cat came. To relieve her feelings of social insecurity?

**G-5-12-05** Thirty days; thirty days, and thirty days. Can a craving be good for us? She’s engaged in an ugly divorce process. What does it feel like in Abrahamland? Psychologist wants to practice client-empowering procedures. How would “Mother Abraham” guide a 5 y.o. Isn’t there someone up there to thank?

**G-5-14-05** The “when” factor is up to you. Do you want Tabasco in your pie? Life Force, one minute; next minute, gone. Getting up to speed with your desires. Source Energy wouldn’t want only one intention. Are there really any harmful dietary actions? Abraham closes the Tarrytown NY Workshop.

**G-5-21-05** Universe responds to vibrations, not to words. You can’t keep telling those negative stories. He wants to know his Connection *is!* She clashes with her loving live-in mother. Isn’t “thinking beyond thought” still thinking? She is thinking about “healthy”, but...? When is manifestation about timing vs. alignment?

**G-5-28-05** Do you continue to experience more *what-is?* When you’re wondering *Where’s my pie?* Did I actually create my own world? Aging and maturing as natural, but declining? If money’s tight, how can he relax. My will power vs. Thy will be done? Aren’t our desires influenced by the media.

## Quarterly Quotes from Abraham-Hicks

This is always true: What I think and how I feel, and what manifests, is always a vibrational match. But here's the big kicker: What manifests isn't manifesting instantaneously. So, you've got all this buffer of time leeway that makes you sloppy... If you thought a negative thought and a brick would instantly fall on your head every time, you'd clean up your thinking. But you're not here to be punished about your thinking. You're here to use your thinking—and your focus—to create.

Washington, DC — 5/7/05

You cannot continue to beat the drum of things that don't feel good when you beat them—without filling your future experience full of things that don't feel good. At some point, there's going to be a tipping point that's going to become a manifestation.

Philadelphia, PA — 5/12/05

Hard work is not the path to Well-Being. Feeling good is the path to Well-Being." You don't create through action; you create through vibration. And then, your vibration calls action from you.

Washington, DC — 5/7/05

You can't help but experience contrast, so you can't help but ask. And since you can't help but ask—and anything you ask for is given—then there is no real earning going on. If there is any price to pay, or if there is any giving back something, it must be in this category of finally bringing yourself into vibrational alignment with what you're asking for. You've got to be a vibrational match to what you're asking for.

Washington, DC — 5/7/05

If a worry about a lack of education comes up, talk it down. Acknowledge that some of the greatest contributing geniuses in your technology age did not have college degrees... They were self-taught. They had an idea and they gathered to them people who could contribute to that.

Asheville, NC — 5/1/05

When a child has a dream and a parent says, "It's not financially feasible; you can't make a living at that; don't do it," we say to the child, run away from home... You must follow *your* dream. You will never be joyful if you don't. Your dream may change, but you've got to stay after your dreams. You have to.

Asheville, NC — 5/1/05

If you encourage your children to stay connected to Source Energy, they will remain clear-minded; they will remain optimistic; they will remain enthusiastic. They will remain balanced; they will remain flexible. They will remain in a state of grace. They will remain in a state of Well-Being. And they will make wonderful choices.

Philadelphia, PA — 5/12/05

The reason the grandchildren will benefit by the launched rockets that you've set forth; is because they're born with no resistance to the rockets of desires that you've launched forth... You've seen those little ones on computers? They have no problem with that. They were born with computers in their life; they're born cable-ready. They're already up to speed with what you've launched into the vibrational future. And that's one of the reasons that it's nice when the old ones croak and the new ones come in, because it sort of dilutes the resistance factor that's going on on this planet.

Tarrytown, NY — 5/14/05

## Quarterly Quotes from Abraham-Hicks

**Y**ou are the creator of your own reality, and so you are not in jeopardy. You do not need to control the behavior of others in order for you to thrive. Your attention to things that you think they do that keeps you from your thriving is, in fact, what keeps you from your thriving... It is not what they do to you; it's what *you* do to you in fear of what you *think* that they will do to you.

Philadelphia, PA — 5/12/05

**Y**ou just cannot kill everybody who doesn't agree with you. You can't do it. You'll kill enough of them, and pretty soon, you'll be down to the nitty gritty that is just *you* guys, and then *you'll* start disagreeing with each other... In other words, you cannot get to where you want to be by pushing against what you do not want—it never, ever works.

Washington, DC — 5/7/05

**T**ell everyone you know: "My happiness depends on me, so you're off the hook." And then demonstrate it. Be happy, no matter what they're doing. Practice feeling good, no matter what. And before you know it, you will not give anyone else responsibility for the way you feel—and then, you'll love them all. Because the only reason you don't love them, is because you're using them as your excuse to not feel good.

Asheville, NC — 4/30/05

**W**hen we say to you, *make peace with where you are*, we want you to make peace with where *everyone* is; we want you to make peace with the world events; we want you to make peace with where your friend is in relationship with where your

friend wants to be. We want it to be all right with you where anybody is.

Tarrytown, NY — 5/14/05

**W**e would demonstrate to everyone that we are cheerful, that we are optimistic, that we are happy, that we are looking for the best-feeling thought that we can find—and that we've practiced it so much that we *often* find it. And then, as people say to you, in accusing tones, "Oh, you are a Pollyanna," announce to them, "Pollyanna lived a very happy life."

Atlanta, GA — 4/28/05

**W**hen you find vibrational alignment with You, you personally thrive. You feel good; you look good; you have stamina; you have energy; you have balance; you have clarity; you have wit; you have abundance of all things that you consider to be good. You thrive in all ways when you come into Energy Balance with You. *Vibrational Relativity*—that's what it's all about.

Asheville, NC — 5/1/05

**T**ake the worthiness that is yours, and let the "Fairies of the Universe" assist you. Stop taking so much responsibility upon yourself, and live happily ever after. Shorten that crevasse between where you are and where you want to be, on every subject, to now, now, now, now, now. Ride the wave. Just pluck the fruit... You don't have to be the one who puts it in the ground any more. You can just skip across the top of things and pluck the fruit of all of the things you want. "Oh, fruit. Oh, delicious this, delicious this, delicious this, delicious this." In other words, it's all right there for you; it's ready for you to receive it as fast and as soon as you will vibrationally let it in.

Boston, MA — 5/21/05

Continued from page 7

attention to it. Nothing can get in your pie that you're not giving your attention to.

*"Well, how can I not give my attention to the things that are everywhere?" And we say, find something that feels good to you—and give your attention to that.* "Well, it's hard," you say. "It's hard to focus." And we say, but that's what a creator does. A deliberate creator focuses. A deliberate creator decides what he wants in his pie, and puts it in his pie. "Well, how do I know for sure what I want in my pie?" Make some pies and eat

them, and see how they taste. We call that post-manifestational pie eating. We call that waiting until it has manifested in order to figure out what the vibrational content of it was... It works.

Or, you could pay attention to the way you feel while you're putting the stuff in your pie, because if it feels good while you're putting it in there, it's going to taste good when it's done.

We call these teachings the *Art of Allowing* because it is the art of learning, by feeling your way, by releasing resistance little by little by little until you become up

to speed, or in vibrational alignment, with your own desires. And when you do that, the vibrational alignment—even though your object of desire has not yet been manifested—the alignment with the idea of it is truly heaven on earth.

When you get in sync with the power of You; when you get in

sync with your right, and your ability, to create, then you can relax and acknowledge that *there is nothing that I cannot be or do or have—but I don't have to be or do or have it all*

*right now. There is plenty to enjoy now, and plenty coming along the way, and, fortunately, it will not come in faster than I can allow it.*

You will not be able to receive something that you're not vibrationally up to speed with.

So, it turns out that the joyous life is the life that is being lived by the person who is aware of the relativity between their currently active thought (which is all a belief is) and their desire. When you learn to manage this Vibrational Relationship between where you are and where you want to be, life becomes sweet even though many things are not ful-

You can't receive what you are not vibrationally up to speed with.

## SPECIAL SUBJECT CDS or TAPES — VOL I

**CD-3/AB-3 LAW OF DELIBERATE CREATION** — Discover the ecstasy of understanding universal Laws which are absolute — no matter what the circumstances. Without an understanding of this universal Law, it is as if you are playing in a game where the rules are not understood, so it is not only impossible to know if what you are doing is appropriate, but you do not know how to win the game. The rules of the game of life are clearly offered here.

**CD-4/AB-4 LAW OF ALLOWING** — Of all things that you will come to understand through this physical life experience, nothing is more important than to become an allower. **CD-5/AB-5 SEGMENT INTENDING** — Our futures are individually paved by the steady stream of thoughts we set forth. **CD-6/AB-6 GREAT AWAKENING, BLENDING** — You have deliberately and excitedly chosen this time to be physical beings upon this planet, because you knew in advance that this would be the time when many — not all — physical beings would recognize the broadness and great value of their being. Follow this step-by-step process for awakening.

**CD-7/AB-7 RELATIONSHIPS, AGREEMENTS** — We are all creators as we individually think and plan, but we are also often co-creators as we interact with others. Most relationships with others are far less than we want them to be. Find out why. Discover how to rejuvenate unhealthy relationships and attract new harmonious ones.

**CD-8/AB-8 BODILY CONDITIONS** — Nothing is more important to us than the way we feel and look, and yet so many do not look or feel as they would like to. There is not a physical apparatus, no matter what the state of disrepair, that cannot have perfect health. Discover the powerful processes to bring your body to the state of being that pleases you.

**CD-9/AB-9 CHRIST CONSCIOUSNESS, RELIGIONS & BIBLES** — While it can be satisfying to read and remember the teachings of the great ones who have gone before us, it is ever more joyous to discover the power of that knowledge within our own being. Learn the process to go within — as Christ encouraged — to experience the blissful oneness with Christ.

**CD-10/AB-10 ADDICTIONS** — Habits, or compulsions, or addictions can range from annoying to destroying. Often, long after they are no longer wanted, they can bind and control your life. As you listen to this recording — you will for the first time understand exactly what the addiction is, and the simple process offered here will free you from it.

## SPECIAL SUBJECTS TAPES — VOL II

...I AM A MEDICAL DOCTOR and have not, before, run across material that has this much potential to create health...Have enjoyed Abraham's books and tapes beyond any expectations I had when my mother originally sent them. I would like to subscribe to your "Weekly Tape Program". Thank You. CHRISTIANE NORTHRUP, MD — ME — Best Selling Author of *Women's Bodies, Women's Wisdom*.

**AB-12 PIVOTING & POSITIVE ASPECTS** \* — If I am the "Creator of my own experience", why don't I have more of what I want? These processes of pivoting and the book of positive aspects will assist you in the self-discovery of what is important to you, and will put you in the strong, clear place of Well-being, so that you can allow what you want into your experience.

**AB-13 SEXUALITY** — Love, sensuality and the perfect sexual experience — pleasure vs. shame. This misunderstood issue lies at the heart of more disruption in the lives of physical beings than any other issue. Discover the true nature of your being, and release yourself from the negative turmoil that surrounds the subject of sexuality.

**AB-14 DEATH** — Aging, deterioration and the perfect death experience — choices vs. chances. The gathering of years is a natural experience. However, deterioration of your physical body is neither natural nor necessary. Be healthy and productive and active and happy until the very day of your chosen re-emergence into the Non-Physical.

**AB-15 DOLLARS** — Abundance, in perfect flow — gaining the freedom that dollars can bring vs. losing your freedom while gaining your dollars. Listen and learn how to relax and breathe in the fresh air of freedom offered to you through the abundant flow of dollars.

**AB-16 HEALTH, WEIGHT & MIND** — The perfect states of weight, health and mind — how can I get there and stay there? Diet plans abound and research continues and yet the number of those unsuccessful at maintenance of satisfactory bodily and mental conditions increases. Understand how your body functions and why you are as you are — and then begin your swift and steady progress toward that which you desire.

## SPECIAL SUBJECT TAPES — VOL II

**AB-18 PARENTING** — Perfect harmony between my children and me — and me and my parents. Harmonizing vs. traumatizing. While often disconnected from parents, either by death or by distance, your parent/child relationships often have great influence in your experience with your children or with your current life experience. Learn how to perceive what has been in a way that is beneficial to your now rather than destructive. Let that which you have lived be of value.

**AB-19 CAREER** — The perfect career. What, where and when is it — and what can I do about it now? With so many exterior standards or rules regarding the appropriateness of your behavior or choices — in most cases more confusion than clarity abounds. Use this process to discover and attract that which is perfect for you. Stop the futile backwards approach — and begin creating from the inside out.

**AB-20 SELF APPRECIATION** — If I am so "Perfect as I am" — then why don't I feel better about me than I do? Selfishness vs. selflessness. Your awareness of your perfection was intact as you emerged into this physical body, but it was soon sabotaged by the critical, comparing, judgmental world that surrounded you. Rediscover your true sense of value and Well-being and perfection.

**AB-21 INNER GUIDANCE** — Tell me more about my Inner Voice? Because you have thought in terms of being dead or alive, you forget that you are, simultaneously, physically focused while another part of you remains focused from Non-Physical perspective. Once remembering that the inner you exists, you may begin to listen to what your Inner Voice is offering. Here is the process for re-establishing that important conscious connection.

## A Twelve Point Synopsis of Abraham-Hicks' Teachings

### **1** *You Are a Physical Extension of That Which is Non-physical.*

All-That-Is, or that which you call God, is not finished and waiting for you to catch up. You are the leading edge of thought, here seeking more: more of all that feels good to you, more of that which is fresh and gloriously uplifting. (You are, in essence, bringing heaven to earth.)

### **2** *You Are Here in This Body Because You Chose to Be Here.*

You chose the opportunity to experience this delicious contrast in time and space, and with great anticipation you came to co-create with other joy-seeking Beings, to fine-tune the process of deliberate thought. (What, where, when and with whom you create are your choices, too.)

### **3** *The Basis of Your Life is Freedom; the Purpose of Your Life is Joy.*

You are free to choose to discover new avenues for your joy. In your joy you will grow; and in your growth you add to the expansion of All-That-Is. (However, you are also free to choose bondage or pain . . . but everything anyone chooses is only because they believe it will help them feel better.)

### **4** *You Are a Creator; You Create With Your Every Thought.*

By the Universal Law of Attraction, you are attracting the essence of whatever you are choosing to give your attention to — whether wanted or unwanted. And so, you often create by default. But you can know by how your emotion feels if what you are attracting (creating) is what you are wanting or if it is not what you are wanting. (Where is your attention focused?)

### **5** *Anything That You Can Imagine is Yours to Be or Do or Have.*

As you ask yourself *why* you want it, the essence of your desire is activated, and the Universe begins to bring it to you. The more intense your positive feelings, the faster it is coming to you. (It is as easy to create a castle as a button.)

### **6** *As You Are Choosing Your Thoughts, Your Emotions Are Guiding You.*

Your loving Inner Being offers guidance in the form of emotion. Entertain a wanted or unwanted thought, and you feel a wanted or unwanted emotion. Choose to change the thought and you have changed the emotion — and you have changed the creation. (Make more choices in every day.)

**7** *The Universe Adores You for it Knows Your Broadest Intentions.*

You have chosen to come to earth with great intentions, and the Universe constantly guides you on your chosen path. When you are feeling good, you are, in that moment, allowing more of that which you have intended from your broader perspective. (You are Spirit Incarnate.)

**8** *Relax into Your Natural Well-Being. All is Well. (Really It Is!)*

The essence of all that you appreciate is constantly flowing into your reality. As you find more things to appreciate, your state of appreciation opens more avenues to more for which to feel appreciation. (As you think, you vibrate. As you vibrate, you attract.)

**9** *You Are a Creator of Thoughtways on Your Unique Path of Joy.*

No one can limit where you can direct your thought. There are no limits to your joyous journeys to experience. On the path to your happiness you will discover all that you want to be or do, or have. (Allowing others their experiences allows you yours.)

**10** *Actions to Be Taken and Possessions to Be Exchanged Are By-products of Your Focus on Joy.*

On your deliberately joyous journey your actions will be inspired, your resources will be abundant, and you will know by the way you feel that you are fulfilling your reason for life. (Most have this one backwards, therefore most feel little joy in their actions or their possessions.)

**11** *You May Appropriately Depart Your Body Without Illness or Pain.*

You need not attract illness or pain as an excuse to leave your body. Your natural state — coming, remaining or leaving — is that of health and Well-Being. (You are free to choose otherwise.)

**12** *You Can Not Die; You Are Everlasting Life.*

In grace, you may choose to relax and allow your gentle transition back into your Non-physical state of pure, positive Energy. Your natural state is that of Foreverness. (Have fun with all of this! You can't get it wrong, and you'll never get it done.)

**AVAILABLE ON CD OR CASSETTE —**  
“Nothing changes in my reality until something changes in my thought.” And this San Francisco album does evoke new thought.

A classic recipe for guidance to our state of natural Well-Being: Abraham magically mixes their brilliant thought provoking knowing with splashes of loving, clarifying humor, and they blend those ingredients into the audience’s ever expanding observations and questions. The result is this delicious, recorded, learning experience for each of us who is wanting to learn (or to teach) *how to live the joyous, fulfilling life that we came to earth to live.*

“On a scale from 1 to 10, this Workshop was a 400!” — Andy Harrington — email

# Conversations With God for teens by Abraham-Hicks

In 1999 USA Today published an article: "If you could ask God any question... what would it be?" I presented those questions to Abraham and we published the recording as G-5/30/99.

We recently discovered, our friend, Neale Donald Walsch's *If you could ask God any question...?* book: "Conversations with God for teens", and now it has been a thrill for me to present over 50 of my favorite "teens" questions to Abraham at our El Paso Workshop — and to now make the dialog available to you!

Don't you wish we could have had this wisdom "back then"? Isn't it a blast to have it now?!

## FREE CD/CASSETTE " INTRODUCTION TO ABRAHAM "

*... Yesterday I received the Introduction to Abraham CD! Although I have been working with Abraham's ideas for more than a year, am a member of the "CD of the Month" club, and was very happily present at the workshop at the Biltmore Estate in Asheville, I had never heard the introductory tape. Well, the information on that CD helped me bridge a gap in my thinking about the principles of deliberate creation. And the clarity feels wonderful! Many thanks for the CD, and for all the wonderful work you are all doing!*

*With boundless appreciation, — LR — NC*

*... Thanks for the wonderful new Introduction CD. Wow! I'm so very pleased! My gratitude, for so much Joy and Well-Being that I am now experiencing, is immense. I resonated with the comments from the readers and listeners on the inside of the jacket cover of the CD: "I've been a 'searcher', 'seeker', 'sharer' since I was a teen," except in my case it's been since I was about 5. The next line just floored me, "My middle name was purported to be 'Why?'" How true... I was asking as a child. Especially as a child. I never stopped asking. And thank you for clarifying the role that "contrast" plays in our lives. Yes, all the pieces are finally falling into place. And also "Thank you for helping to put the fun back into my life". My entire experience has pivoted, literally.*

*Thanks again — In absolute bliss — BF — Canada*

This 74 minute newly remastered and musically scored *Introduction to Abraham* is now available in cassette or CD format. It's a comfortable way to share Abraham with those who seek a new way of realizing a more successful life experience.

## WORDS OF WISDOM FROM THE BROADER PERSPECTIVE

**THIS IS THE TIME OF AWAKENING** — This is the time when more humans, than ever before, will be able to find vibrational alignment with their own desires—in their own time/space reality—and begin manifesting that which most previous generations took three or four or ten generations before coming to the place of allowing. There are generations who lived in this time/space reality before you, who lived contrasting experiences, who launched all kinds of rockets of desires that your civilization today benefits from. *They gave birth to the desires, but because they were so stuck in the vibrational patterning of the conditions that they were observing, few of them allowed themselves to receive the benefit of their own desires.*

## PRESENTING A POWERFUL 365 DAY COURSE IN SPIRITUAL PRACTICALITY

Habits are usually created slowly. And since a major aspect of the value to you of using this material will be the changing — often slowly — from unwanted habits of thought to habits of thought that are more appropriate to your current conscious desires — *but the most common use of this calendar will be as a joyous 365 day journey into a new world of leading edge thought and experience.*

Begin experiencing the power of this calendar at any time. You don't have to wait until the first of next year. However, in order to get into time sequence with the calendar — it is best to start at a month's beginning. Let the first day of your first month be day one (page three) of this calendar.

After over 30 years of studying, teaching and enjoying the art of personal fulfillment, I have long understood the power of clarifying and writing out my decisions in appointment books, journals, organizers, etc. But as the years passed, I became aware that at the most joyous and highly productive seg-

ments of my life — I simply carried, daily, a fresh, updated sheet of paper in my pocket. This works!

The first sides of the pages are compilations from the best of the Abraham teachings. The second sides of the pages are designed to accommodate your daily list of things to do. *But as the course progresses, you will discover that the pages will be offering processes and techniques to fit the advancing stages of your progression within these materials.*

Your only power to create your life is in this moment, and the Abraham-Hicks Planning Calendar is designed to focus the purest of your intentions to your todays, the time in which you have

your creative power.

*In our estimation, this Abraham-Hicks Planning Calendar/Workbook is the most effective tool available for the practical application of "The Science of Deliberate Creation." Utilize it to create and to teach others to create, the perfect (by your ever changing standards) adventure in living.*

*"If you want to change what you are living,  
you only have to change the balance of your thought." — Abraham*

## THE SCIENCE OF DELIBERATE CREATION

### *Abraham-Hicks Daily Planning Calendar and Study Group Workbook*

#### **A 365 DAY COURSE IN SPIRITUAL PRACTICALITY**

- The material in this calendar/workbook has been specifically intended as an experiential guide to comfortably change your balance of habits of thought to that which will enrich every aspect of your experience.
- Begin in any month. The pages are left to be dated by you.
- This is a study to do, not a study to simply peruse. It is a study to have fun with in every way that you can imagine.
- The pages are the size of two \$100 bills, side-by-side. Tear out a page a day. They are portable. Fold them into your wallet or checkbook, or simply carry them in a pocket. On one side you will find life enriching reminders of some things you may have forgotten and on the other side you can write intentions, ideas, names, numbers. Post them on your mirror, refrigerator, the sun visor of your car...
- Carry a seven day segment or a vacation segment with you when you are away from home — and then file them for future reference.

## Hello from Jerry & Esther

Continued from page 2

can see the water lilies, and the variety of nearly every color of flower. But while I'm *seeing* all of that, I am *hearing* the moving water and the singing birds. But while I am seeing and hearing all of that I am *feeling* the wonderful breeze blowing across my body. As I breathe in, deeply, (something that Abraham has been strongly encouraging lately) the air *smells* so sweet. I just realized that the pleasure that I am experiencing as I sit here is as a result of all of these converging senses, and I am going to find a way to take that awareness into my next envisioning session. In my mind's-eye I have been focusing on something I am either *looking* at, or something I am *hearing*, or *smelling*, or *feeling*, or *tasting*—but I do not believe I have yet achieved the experience of simultaneously doing it all at once. (And I now am looking for something to lick!)

We thank you, sincerely, for asking us to come to so many wonderful places, and we love how this beautiful world continues to beckon us to the discovering of more and more beautiful places

and experiences. At this moment, I am absolutely convinced that there could not be a more beautiful, good-feeling place on earth than our beautiful gardens here at Abraham-Hicks Publications, but in 9 (or is it 8) more days we'll climb back into our Monster Bus, and five minutes down the road we'll be focused on something else that takes our breath away. We are very blessed, we inhabitants of Planet Earth. I wonder how much of this glorious experience was seen in the mind's eye of Nonphysical before this wonderful place came into being. I can't help but believe that the more of us who stop and savor the deliciousness of this place, the more beautiful it becomes.

We are in love with you,  
and with life,

*Jerry & Esther*

## SARA. BOOK 1 — Sara, and the Foreverness of Friends of a Feather

*...My whole family read this book and we haven't been the same since. My husband, perhaps, was the most moved by it. He actually said that it had such a tremendous impact on him that he looks at life with new eyes. It's like being nearsighted your whole life and then finally getting glasses. Everything becomes crystal clear.*

I cannot say enough good things about this life-transforming book. If there is only one book you ever buy, make sure it is this one. You won't regret it! (all ages)

— by Denise Tarsitano in the “Rising Star Series.

**THE BOOK** *Sara, and the Foreverness of Friends of a Feather* is a novel about a young girl, Sara, who learns about life through a wise owl named Solomon.

As you settle into this book you will begin to experience Sara's life, almost as if it is your own. You'll discover that the questions that Sara's life uncovers will not be so different from the questions of your own life.

Sara has the benefit of a wise and wonderful mentor who not only knows the answers to all questions, but also understands that words don't teach. Solomon wisely helps Sara to find the answers to her very important questions through her own life experience. And as Sara discovers her answers — you will very likely discover some of your own, as well.

This book will awaken within you wisdom you were born with, that you may have forgotten. It will open you to who you really are. (all ages)

## *The Teachings of Abraham*

masterfully combined with the music of Francine Jarry

Order CDAM-2 — \$15 + S/H

Both albums include bright melodies that project a wide range of musical styles. From her *Count Your Blessings*, and *Reach for a Thought That Feels Better*, she carries us through to the rollicking *I Want to Live My Life to the Fullest*, and on to the elegant, meditative *Joy to the Universe*.

The second half of the *New Adventure* album promises to give the listener a first in a lifetime experience. You will be enraptured when you immerse yourself in this 30 minutes of Abraham's Rampages of Well-Being. Over Francine's haunting *Mayan Theme*, we have blended, from three live workshops, Abraham's *Living Happily Ever After* and *Finding My Core Beliefs*, and finally Abraham reminds us that our Well-Being is natural with their, never to be forgotten, *It Is Good To Feel Good*.

Two wonderful albums of uplifting music that project the philosophy of Abraham in a way we have never felt it before.

If you like upbeat music, and if you are looking for a way to remind yourself of what you have learned from Abraham, you are going to love these musical albums.

Francine Jarry, our dear friend from Montreal, has truly captured the essence of Abraham's message in this wonderful music. The combination of this beautiful music, and Francine's clever interpretation of Abraham's message will take you to an even deeper level of understanding and most of all, of remembering the message.

filled—yet... Now, what we mean by that is, if you get—by virtue of focusing; doing creative workshops; going to meetings where people are getting you all juiced up about wanting things—if you get your desire factor activated at a much faster pace, on one or a number of subjects, than you've got your belief factor activated, you're going to cause chaos in your own experience.

Wanting things you don't believe are possible is not pleasant. And yet, we don't want you to ratchet your desire back down to your belief level—because then, nothing can change. And, do you know, that's what most people are doing? Most people are spending most of their time looking at *what-is*.

When you are giving most of your attention to *what-is*, you're offering most of your vibration about *what-is*, so you're just getting more of *what-is*—different places, different faces, but essentially, *what-is*.

So, the way it works is, you observe *what-is*. You offer a vibration about *what-is*. Law of Attraction matches *what-is*, and you get more of *what-is*... So, you

observe *more* of *what-is*; you offer a vibration about *what-is*. Law of Attraction matches *what-is*, and you get more of *what-is*... So, you observe *what-is*; you offer a vibration about *what-is*. Law of Attraction matches *what-is*, and then you get more of *what-is*. And then you observe *what*... (Fun!)

We could go on because you do.

That's what you keep doing, mostly.

And what we are wanting to call your attention to is that it's fine to observe *what-is*, especially if *what-is* is pleasing you.

But you might want to fill in the

missing gaps with *memories* of things that were pleasing, or *imagining* things that are pleasing, because Law of Attraction does not give you access to thoughts that are very far from the thoughts that you've been actively thinking... When you focus upon something, you activate the vibration. And when you activate a vibration, Law of Attraction gives you more thoughts that are like that. And as you hold your attention there, that activation becomes strong enough that it's not just an activation—it's a dominant activation. And when something becomes a domi-

nant activation, you call that a *belief*. We want to soften it by just saying a belief is only a thought you keep thinking.

When you continue to think a thought (or activate a vibration) that is not in alignment with who your Inner Being knows you are, and with what you really want—then negative emotion ensues. And what happens to so many of you (bless your hearts; we mean this adoringly) you get used to that negative emotion. So, you call it normal. You just become willing to put up with being ornery, or being overwhelmed, or being frustrated, or being angry.

And you are really not wanting to put up with that when your *Guidance System* is alerting you to the fact that you're not on the path that you have designed; that you have divined—that you have honed out of the contrast of your life experience... All that stuff's being held over there for you in Vibrational Escrow, just waiting for you to become a vibrational match to it—all of the things that you want are just waiting for you to find vibrational alignment with them. And if we were standing in

your physical shoes, we would not put up for a moment with negative emotion.

So, it is our powerful desire that today you discover a new determination to bless your *Emotional Guidance System* because it is giving you such important information about the Vibrational Relativity between the thoughts that you're thinking and what you really are wanting, and that you make a decision that you are going to do your best to feel as good as you can feel—all day long—on every subject that becomes active within you.

You have, long ago, most of you, given up your rights to your own Guidance. You stopped trusting yourself because they ganged up on you. There were two of them when you were born, (most of you) and then more and more and more, and more. Then, there's all that peer group pressure, and then all those law enforcement agencies, not to mention the people that you really care about... But you tend to care more about what *they* think about what you're doing, than you do about how *you* feel.

We would not,  
for a moment,  
put up with  
negative emotion!

We want to reactivate within you a determination that you are going to get hold of the Vibrational Relationship between you and You. Because you are Eternal extensions of Source Energy, and the Source Energy that is you loves you, and loves others. The Source Energy that is you knows your value; knows your worthiness; knows all of the wonderful things that are over here in Vibrational Escrow waiting for you, and will always be a vibrational match to those things that you want, and will never join you in your depression. That's why *depression* feels like *depression*:

The feeling of *anger*; the feeling of any negative emotion, is you holding a vibrational pattern that is disallowing your full Connection with who-you-are. And so, negative emotion is your indication that you are not allowing that full Connection to Source.

We never see you stick a "Happy-face" sticker over your gas gauge because it is troubling you to see that it's empty. "Oh, I'm empty. I'd better cover that up. It bothers me to see that." You

sort of want to know when your tank's empty, don't you? And if you wait 'til it really empties out, it's much more trouble than if you just catch it as it approaches empty, and then do something about it. And this is what your *Emotional Guidance System* is doing for you, too. It's letting you know you're sort of emptying out in this moment. And so, you might want to see if you can't find a better feeling-place about this.

Start guiding yourself by caring about how you feel. Start guiding yourself into your Stream of Source Energy, for that's where your clarity is; that's where your joy is; that's where your flexibility is; that's where your balance is; that's where your good ideas come from. That's where all the good stuff is accessed from...

*You cannot get to the good stuff from the place of feeling bad—it defies Law. And you cannot get to the bad stuff from the place of feeling good—it defies Law!*

## ABOUT THE AUTHORS

---

EXCITED ABOUT THE CLARITY and practicality of the translated word from ABRAHAM, Jerry and Esther Hicks began, in 1986, disclosing their ABRAHAM experience to a handful of close business associates. Then, recognizing the practical results being received by those persons who began plying ABRAHAM with meaningful personal questions regarding their finances, bodily conditions, and relationships...the Hickses made a conscious decision to allow ABRAHAM'S teachings to become available to an ever widening circle of seekers. And that circle continues to expand — even as you read this page.

Esther & Jerry Hicks

Jerry and Esther have now published more than 700 *Abraham-Hicks* books, CDs, cassettes, DVDs and videos, and have been presenting open group interactive *Art of Allowing Workshops* in about 50 cities a year to those leaders who gather to participate in this progressive stream of thought. And although worldwide attention has been given by leading edge thinkers to this *Science of Deliberate Creation* who, in turn have been incorporating many of ABRAHAM'S concepts into their books, lectures, sermons, screenplays and scripts—the primary spread of this material has been from person to person as individuals begin to discover, and share with others, the practical value of these materials in their personal experience.

ABRAHAM, a group of obviously evolved teachers, speak their broader Non-Physical perspective through the physical apparatus of Esther. *Speaking to our level of comprehension, from their present moment to our now, through a series of loving, allowing, brilliant yet comprehensively simple, recordings in print and in sound — they guide us to a clear connection with our Inner Being — they guide us to self-upliftment from our Total Self.*

### COMMENTS FROM READERS & LISTENERS:

*...It's hard to believe that life could be so simple and so joyous... Thank you, so much, for making an already good life even better! (With lots of good feelings) SC — PA*

*...I've been a "searcher," "seeker," "sharer" since I was a teen. My middle name was purported to be "Why?" The information from Abraham is so down-to-earth, useful, compelling, exciting, sensible, practical, empowering, clear, usable. I'm a marvelous deliberate creator now. Thanks for putting the "fun" back into physical life. JS — AZ*

*...Am so delighted to be reading your books, listening to your tapes and attending your seminars. I am so happy and getting happier and clearer every day. My life has been leading to this point, and it feels like the icing on the cake. I know everything will just get better, although it's hard to know how. What a powerful gift you've given us — the recognition of our ability to create the life we want, and the tools to carry out the plan. Thank you for sharing. — CA*

**“We love those cruises...” you said,  
So More Fabulous Cruises, it is...**

Well, you’ve pestered us into booking more cruises, although we have to admit it didn’t take much convincing. We agree with you these wonderful cruises are life transforming, so, here’s what’s coming up: **Our third one-week Alaskan Cruise—July 9 thru July 16, 2006...and our second two-week Hawaiian Cruise Jan 20 thru Feb 4, 2007.**

Cruising Seminars have long been our favored method of becoming more acquainted with hundreds of friends of similar interest. And Esther and I are so pleased that so many of you are already making your plans to join us on these upcoming Abraham-Hicks Cruise Workshops.

What a profound and fun way to mutually evolve to higher levels of joyous Well-Being!

Love ya!  
Jerry and Esther

**Alaskan—July 9 thru 16, 2006  
Hawaii—Jan 20 thru Feb 4, 2007**

Dear Jerry & Esther,

I am still basking in the sweet afterglow of my Abraham Alaskan Well-Being Adventure cruise. Abraham encouraged us to reach for the memory that thrills us. Well, I have many more to draw on after that cruise.

Thank you for providing me the opportunity to take my dream trip. For me it was a time to be with others and “comblisserate,” (*not commiserate*). I have coined the word to remind myself that I intend to raise my vibration and to uplift others. Being with those other students of Abraham in such a glorious place was the perfect opportunity for me to practice my comblisseration.

*Jan Martindale, Oregon*

## THE TEACHINGS OF ABRAHAM WELL-BEING CARDS

Our good friend, Louise L. Hay, author of "You Can Heal Your Life" and the publisher of Hay House books, asked us to create a set of Well-Being Cards that get across the Abraham message of joy and inspiration in an attractive, easy-to-enjoy format. This is a deck of sixty cards, attractively illustrated, each with a different valuable message of joy and inspiration drawn from the most unique and powerful perspectives gleaned from eighteen years of our "Art of Allowing" workshops. Use them for meditation, affirmation, or just the pleasure of an uplifting message that will accentuate your natural state of Well-Being.

Words don't teach; life experience teaches. But with these Abraham-Hicks words fresh in your mind, your every life experience will now be more meaningful to you. And since nothing is more important than feeling good, nothing is more valuable than these processes that will allow more of your natural Well-Being to flow.

Plan to have fun with these cards. Let these words inspire thoughts that will attract to you more of that which evokes your greatest joy.

With the help of Hay House, the Well-Being Cards have been stocked in bookstores across the world. Ask for them in bookstores. Recommend them to your friends! Or, for immediate delivery, order the "Well-Being Cards, The Teachings of Abraham" right now.

**Suggested retail is \$15.95. Order yours today for \$12.76 plus S/H.**

**This is a perfect gift item for someone you really care about.**
